

Welcome to  Healthtrax Fitness & Wellness - Washington Township

Your Fitness Partner Since 1979

Healthtrax announces a partnership with **Kennedy Health System** to bring a 72,000 square foot, state-of-the-art facility blending **fitness, wellness, physical therapy and medical services** to residents of Washington Township.

On Tuesday February 4th Kennedy Health System held the grand opening of its new Healthtrax Fitness and Wellness Center a community addition meant to promote personal health and accommodate clients at every level of fitness. For more information go to:
